Choosing country

Marit Berg 1970-03-01

Welcome to Emrex!

This service will enable you to import your awarded credits from other higher education institutions abroad connected to Emrex. Importing your records is a quick and easy process.

1. Select the country from which you want to retrieve your credits from.
2. Use the credentials from the host university where you studied to log into the system where your credits are stored.
3. Select the credits you want to import.
4. Review and confirm the selection. The records will be sent to your home university and you may save a copy in PDF format.
5. When the import is finished, please answer a few questions about the service to help us develop Emrex further.

So let's get started by selecting a country!

Arriving in Denmark

EMREX - Danish National Contact Point

Welcome to EMREX in Denmark

You have now arrived at the EMREX Danish National Contact Point and are only a few clicks from having transferred results to your home university. Click the name of the university from which you want to transfer your results.

After this you can log in to the university by using the same login you have been using for their Self-service portal.

Please note that only the Danish universities participating in the EMREX Field Trial are in this list.

Select your University

Click on a university name

- [University of Copenhagen](#)
- [Technical University of Denmark](#)

If something is not working, please contact your home university or emrex-support@emrex.eu.

The banner features a blue header with the EMREX logo on the left and navigation links (News, How to Join, Field Trial, Events, About, Contact) on the right. The main image shows three students in a classroom setting, with a large white text overlay that reads "SUPPORTING STUDENT MOBILITY". Below this, a smaller line of text states "EMREX IS THE SOLUTION FOR ELECTRONIC TRANSFER OF STUDENT RECORDS BETWEEN HIGHER EDUCATION INSTITUTIONS IN EU". At the bottom, there are three blue buttons with white text: "EMREX VIDEO", "STUDENTS REACT TO EMREX", and "STUDENTS REACT TO EMREX-EXTENDED".
